

Sept. 14, 1926.

T. N. Pfeiffer, Esq.,
120 Broadway,
New York, N. Y.

Dear Sir:-

Please find report in the case of Hall-Mills.

I called at No. 209 Codwise Avenue, New Brunswick, N. J. I interviewed Officer Garrigan. He said that he was at Headquarters when the telephone message came in, and he was sent to De Russey' Lane, in answer to the call. When outside he met a man named George Cathers. Mr. Cathers took him in his auto and up Easton Avenue he stopped and got Officer Curran. They went out to the Lane and was met there by Raymond Schneider who showed them where the bodies lay. He said that he was positive that he saw a card leaning against Mr. Hall's shoe, and some letters and other cards. He said that he is positive about this because he made a note in his note books at the time and handed the book in at Headquarters, and also made out a statement and signed it to that effect. Said he did not pay any attention to the bushes or trees as to how thick they were at that time. He said that he waited there for the Somerville authorities to comemand when they came he left for New Brunswick.

Yours truly,

John Gregory
